

## Have Your Say Competition Success

On Monday 18 March, the MFL Department took a team of sixteen Year 7, 8, 9 and 10 students to Copleston High School in Ipswich for the semi-final of the 'Have Your Say' Language Competition. The students had already done fantastically well to beat other students in their year group in the knock-out stages of the competition, held in the Autumn term.

During the course of the afternoon, our students fought off fierce competition from a number of other schools in the local area, and I am delighted to be able to announce that we have had great success, with the majority of our competitors having made it through to the final of the competition, which will be held at The Thomas Lord Audley School in May.

I am incredibly proud of the resilience and growth mindset that these students have shown, and they have all been fantastic ambassadors for the school. Even those who did not make it through to the final have done exceptionally well to get this far in such a tough competition!

We look forward to welcoming the other schools to TLA for the final in May.
