

## Success for TLA 2017 Leavers at Colchester Sixth Form's Awards' Evening Dec 2019

The following students received awards for effort and achievement within the area they studied:

**Darcy Byrne** - College Award for Academic Achievement in Maths, Accounting, Economic Studies and Business Studies

**Ben Clarke** - The Thomas Lord Audley Audley School Award for Academic Achievement in Sixth Form Study - English, History and Religious Studies

**Ben Constable** - Departmental Award for Music Technology - Music, Music Technology and Physics

**Sophie Gordon** - Departmental Award for Psychology - English Language, Psychology, Health & Social Care and Extended Project Qualification

**Mya Morrison** - Essex County Newspaper Award for Communications - English Language, Media Studies, Photography and Extended Project Qualification

**Chloe Tatum** - Departmental Award for Sport and Physical Education - Business Studies, Film Studies, Photography and Diploma in Financial Studies

**Hector Woods** - Department Award for Economics - Computer Science, Maths and Economics

We are very proud of these students and congratulate them on their success!

Ms H Boast  
Headteacher

## 2019 Christmas Dinner

This week we had our annual 'Christmas Dinner Day' and the amazing staff in our Catering Department supported by many staff from all areas of the school prepared, cooked, served and cleared up over 450 Christmas Dinners, the most we have ever done.

The atmosphere within the kitchen was incredibly calm and organised throughout the lunch period and it was lovely to see so many students and staff enjoying the meal we prepared, and in the schools main hall where Christmas music was playing and the tables all decorated enabling students and staff to all sit together to enjoy this festive meal.

Andy Jackson

Catering Development Manager

## Christmas Hampers

The School Council and Student Leaders have organised Christmas Hampers to be raffled off to raise money for the School Council. Each tutor group donated items to go into the hampers, and they will be raffled off over the last few days of the term. As always, the support and generosity of the tutor groups exemplifies the fantastic Christmas spirit of our students and some lucky winners will be leaving on Friday with some fantastic prizes.

Many thanks to all who contributed, and to Mrs Hughes and Mrs Wright for their support as always.

Mr Muir, on behalf of the School Council.

## Year 11 Charity Event

This year our Year 11 students adopted the charity 'Save the Children Fund'. This is a national charity and it gave the students the opportunity to wear a Christmas jumper for the day and pay a donation towards the charity. A cake sale was held at break to help increase the total raised which exceeded £150. It was great to see the number of donations of cakes from both staff and students in Year 11. A large number of students and staff took part in this event and it made for a great atmosphere when the students had their Christmas lunch in the hall.

Following the success of this event, we would hope to run this event next year with Year 11s and fully adopt this as our charity to support.

Lorraine Robertson  
Assistant Head of Year 11
