KEEPING A ROUTINE

CURRENT OR NEW  
ACTIVITIES FOR YOU TO  
TRY

MINDFULNESS EXERCISES

# THE IMPORTANCE OF DAILY ROUTINES

---

As has been shared in the media for people who are working from home there are a few tips we can consider

Get up at a normal time

Get dressed

Find time for physical exercise

Find a time boundary for relaxation

Try and keep to a time boundary with your work day

Go to bed at a similar time so your body clock isn't confused

# BE AWARE OF YOURS AND OTHERS ANXIETY

---

WHEN WE UNDERGO PERIODS OF CHANGE WE CAN BECOME ANXIOUS UNTIL THE SITUATION SETTLES

IF THERE IS A SITUATION YOU HAVE NO CONTROL OVER, TRY AND LET IT GO AND TRY TO FOCUS ON THE THINGS YOU CAN DO.

IF YOU ARE FEELING OVERWHELMED, SAY YOU ARE AND FIND A SPACE WHERE YOU CAN TAKE SOME TIME.

TRY AND ASK OTHERS IF THEY ARE OKAY AND IF THEY AREN'T ASK IF THERE IS ANYTHING YOU CAN DO TO HELP – THERE MAY NOT BE, BUT ITS ALWAYS GOOD TO ASK

# WHAT I WANT AND WHAT I NEED

---

Sometimes we can get overwhelmed and we genuinely think we need something

Take time to consider if you need it, or if you just want it

If you just want it, try and identify a time when you will be able to have it and leave it there

If you feel it is a real need, try and talk to someone about it and listen to what their opinion is and see if you really need it

# ACTIVITIES FOR YOU TO THINK ABOUT

# START A HAPPINESS JOURNAL

---

At the end of every day spend a little time with a small notebook

Think about anything at all that happened during the day that made you smile or that made you feel grateful

Write down these thoughts

Why would I do this? It is very easy to get into negative habits when we are feeling unsettled, by writing down factual events and positive thoughts we are train ourselves to look for positives in each and every day.

# TAKE A WALK OUTSIDE

---

If you are able to go out into your garden or further afield, make a point noticing

Smells

Sights

Sounds

Touch

Taste

# TRY COMPLETING PUZZLES (YOU MAY BE SURPRISED AT HOW YOU ENJOY IT)

---

You may find that there are puzzles in your home that have been sitting at the back of a cupboard – get them out and give them a go!!

You may find that this brings back some great memories and it will also give you something to finish

Jigsaws, crosswords, wordsearches – or go online to find some or download an app

# HAVE A PAMPER DAY

---

Pamper days do not need to cost much

You can pamper yourself with a long bath, a refreshing shower, using a face mask, trying to style your hair differently, using your make-up or moisturising your skin

# MUSIC

---

Listen to your favourite music and really take time to listen to the lyrics and the beat.

Maybe write down your favourite lyrics and make a piece of art out of it so you can stick it to your wall or to a cupboard

ANY PHYSICAL EXERCISE IS  
GOOD FOR BOTH OUR MOOD  
AND OUR PHYSICAL BODY

LIMITED INGREDIENTS

MEAL, BUT DON'T WORRY IF  
YOU ARE NOT ALLOWED

# BAKING

---

If you have the equipment and ingredients try  
and cook something simple if you haven't  
done so before

If you are already interesting in cooking try  
something more adverntuous

# ART

---

What ever you have at home, and even if it is just one pencil, you can always practice drawing in many ways

You can use the back of envelopes to draw on and then cut the picture out and put it in an envelope for another time when you can collect them in a sketch book or scrap book

You can also go online and look for tutorials if you want to learn a new skill for line drawings

# PHOTOGRAPHS

---

- Look at old photographs and remember positive experiences and share these experiences with others

# HAPPY JAR

FIND AN OLD CLEAN  
JAR

GET THEM OUT  
WHEN YOU FEEL SAD  
OR WHEN YOU FEEL  
YOU NEED TO

MAYBE HAVE THIS AS  
A FAMILY ACTIVITY

laugh

Watch a TV comedy

Go online and look at  
compilation clips of comedy

# PETS

---

Enjoy time with your pets

If you have a dog, maybe look at training videos and teach your dog some new commands –

just remember the dog could get bored if we expect too much from it

Watch the behaviour of small mammals such as guinea pigs and hamsters and learn about them

# EAT AS WELL AS YOU CAN

---

- Its always important to eat but remember if you are using less energy you need to eat less so maybe consider healthy eating options

YOU HAPPY

A FANTASY OR SOMETHING  
THAT IS REALISTIC

WOULD BE LIKE IF THAT  
WISH CAME TRUE

DRAW PICTURES OR CUT UP  
IMAGINES FROM MAGAZINES  
IF YOU HAVE THEM TO  
CREATE A PIECE OF ART

# THINK OF SOMEWHERE YOU WILL VISIT

---

Where is it?

How many people live there?

What would you see there?

Where would you visit if you were there?

What would you eat there?

What activities could you do there that you cant do here?

Maybe the whole family could do this and you can find out things you didn't know about your family

# TALK TO PEOPLE

---

IT IS GOING TO BE REALLY IMPORTANT TO STAY IN CONTACT WITH OTHERS

SPEAK TO YOUR FRIENDS/FAMILY BY PHONE IF YOU CAN

SPEAK TO YOUR FRIENDS/FRIENDS BY EMAIL IF YOU CAN

SPEAK TO YOUR FRIENDS/FAMILY ONLINE IF YOU CAN

family, online, with your  
friends)

Have fun!!!

WALK SLOWLY AND CALMLY  
FOR 10 MINUTES IN A QUIET  
SPACE

TAKE NOTE OF THE FEELING  
OF THE SURFACE UNDER YOUR  
FEET AND HOW THIS CHANGES

TAKE NOTE OF HOW YOUR  
BODY MOVES WHEN YOU  
TAKE EACH STEP, YOUR FEET,  
YOUR ANKLES, YOUR KNEES,  
YOUR HIPS, YOUR TRUNK,  
YOUR ARMS AND YOUR HEAD

THIS IS A REALLY GOOD WAY  
OF LEARNING TO SLOW  
DOWN AND WALK IN A  
RELAXED WAY
