An exciting opportunity has arisen at The Thomas Lord Audley School for a Science Technician. We wish to appoint an enthusiastic, organised and ambitious individual to join our Science team. An aptitude and passion for science is essential to the role and must be demonstrated in application and interview.

The duties will include the following:

- To ensure the efficient preparation and organisation of resources and equipment for lessons on a daily basis.
- To support teaching staff and students during lessons, carry out demonstrations and give technical advice as required.
- To ensure collection, checking and safe storage of resources after use.
- To carry out risk assessments for technician activities as required.
- To prepare standard solutions and ensure the safe treatment and disposal of chemicals.
- To keep up-to-date with health and safety requirements and developments in practical science.
- To assist with constructing, modifying and testing of apparatus as required.
- To assist with cleaning, maintaining and repair of equipment as required.
- To liaise with other departments/schools regarding use of additional/specialist equipment.
- To liaise with caretaking staff regarding any maintenance problems that may occur.
- To participate in the performance and development review process, taking personal responsibility for identification of learning, development and training opportunities in discussion with line manager.
- To comply with individual responsibilities, in accordance with the role, for health & safety in the workplace.
- Ensure that all duties and services provided are in accordance with the School's Equal Opportunities Policy.

We welcome visits to the school, so please come and see us in action! The full job description forms and more information can be found on the school's website.
